RE: Surplus Vehicles

The final vehicle available for surplus is Bus #6, a two wheel drive 2000 Ford Excursion. This four door suburban type vehicle has about 137,000 miles. It has been used as a maintenance vehicle since losing its DOT inspection for student transport. It has seating for eight passengers. The rear seats are removable.

It has a 5.4 liter V8 with automatic transmission and a tow package. VIN 1FMNU4OL9YED45825. The options on this Excursion include Air, Cruise and an AM/FM CD radio. The body is in fair condition. Mike Morris informed me that it lost its DOT approval due to rusty floors.

I recommend that the Board of Education approve this vehicle to be designated as surplus.
