

Enlarged City School District

## 2016-17 School Calendar

  
Committed to  
Excellence

## IMPORTANT NOTICES

### Cafeteria Accounts/Prices

#### Elementary Prices

**Breakfast = \$1.25 – Lunch = \$1.75 – Milk Only = \$.50**

#### Free and Reduced Lunch Applications Available Upon Request

Elementary School parents can prepay for meals and snacks. To prepay enroll in the online mySchoolBucks payment system, or send cash or check (made out to Cortland Enlarged City School District), to the home-room teacher for the number of lunches and/or breakfasts to be purchased. The money will be applied to the student's account. A note will be sent to parents when the account is low on funds. If parents request, accounts can be set up and used for meals only.

#### JSHS Prices

**Breakfast = \$1.25 – Lunch = \$1.95 – Milk Only = \$.50**

#### Free and Reduced Lunch Applications Available Upon Request

JSHS students can use their Student ID cards as debit cards in the cafeteria. Parents can enroll in the online payment system or send in the money they want to put on the account for meals and snacks; and, as the card is used, the costs of meals and snacks are deducted from the account. If parents want money used for meals only, we have the ability to set up accounts that utilize the funds for meals only at the parent's request. All parents have to do is have the student bring their Student ID with the check or cash to the cashier, and we can set up an account for that student. When funds get low, the cashier will let the student know so that additional money can be added to the account.

To establish an online payment system ([www.mySchoolBucks.com](http://www.mySchoolBucks.com)) or for questions on cafeteria accounts please contact the School Lunch Office at 758-4182 or e-mail [fzaryski@cortlandschools.org](mailto:fzaryski@cortlandschools.org).

### The Family Educational Rights and Privacy Act (FERPA)

Under FERPA, 34 CFR § 99.7 parents and eligible students have the right:

- To inspect and review education records;
- To request amendment of education records;
- To provide written consent before the school discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent;
- To request information on who constitutes a school official and what constitutes a legitimate education interest if the agency or institution discloses or intends to disclose personally identifiable information to school officials without consent, and;
- To file a complaint with the Family Policy Compliance Office (FPCO) in the Department. ([www.ed.gov/offices/OM/fpco](http://www.ed.gov/offices/OM/fpco).)

For information, contact the District Office.

### Emergency Response Plan

Pursuant to NYS Law, Cortland Enlarged City School District has developed response plans for emergencies which arise in or impact our students and staff. Our four basic response actions are: school cancellation, early dismissal, evacuation, and sheltering within the facility. A drill concerning early dismissal will be held. You will receive notice at least one week prior to this drill so you can plan your children's early arrival home. In the event of an emergency, information will be scrolled on the district website [www.cortlandschools.org](http://www.cortlandschools.org). If you should have any comments, questions, or would like to review the plan, please call the Safety / Compliance Officer at 758-4100.

### Title IX

The District shall not discriminate on the basis of age, sex, sexual orientation, race, color, creed, religion, national origin, political affiliation, marital status, military status, veteran status, disability, or under the Boy Scout Act in the educational programs or activities which it operates, or against any employee or applicant seeking a position of employment. The District will be in full compliance with all applicable rules and regulations pertaining to civil rights for students and employees.

### District-Wide Code of Conduct

In compliance with the NYS SAVE Legislation, the Dignity for all Students Act and the Commissioner's Regulations, the Cortland Enlarged City School District involved stockholders in developing and annually reviewing the Comprehensive Code of Conduct.

The intent of this document is to establish standards of conduct that will enable students, parents, visitors and staff to know what is acceptable behavior and how deviations from these standards will be addressed. These standards and procedures have been developed for system-wide use, and will be in effect during school and non-school hours and enforced the entire calendar year (twelve months).

Every student and staff member has the right to expect an atmosphere that is orderly, safe and conducive to the educational process. In order to assure an orderly environment in which each person may live and learn to his/her full capabilities in harmony with others, the school community, parents and community-at-large must share responsibility for helping students develop self-discipline. Educators know that although steps to stop unacceptable behavior are necessary, recognition for responsible student behavior does more to encourage positive traits than anything else. Staff in the Cortland Enlarged City School District are encouraged to practice appropriate classroom management techniques.

When self-discipline fails or self-control falters, disciplinary action will be imposed to protect the rights of others. Discipline must emphasize humanitarian principles and ideals such as justice and equality. It must recognize the inherent dignity and rights of every human being and must include self-direction and self-discipline. In the Cortland Enlarged City School District, as in the community-at-large, certain rules and procedures are established to guide students through constructive growth into mature adulthood. Students, parents, visitors, district staff and the Board of Education need to cooperate to interpret and enforce these rules.

To obtain a copy of the full text of the Code of Conduct, contact the Cortland Enlarged City School District at 758-4100 or visit our school website at [www.cortlandschools.org](http://www.cortlandschools.org).

### Immunization Requirements

Under Section 2164 of the NYS Public Health Law, all children entering and attending school must be immunized. The immunizations for all are as follows:

- Two doses of varicella vaccine (chickenpox).
- Four or five doses of diphtheria toxoid (usually given as DPT or DT).
- Three or four doses of polio vaccine.
- Two doses of MMR (measles-mumps-rubella).
- Three doses of HepatitisB (HepB).
- One dose of Tdap for children enrolling in 6th grade.
- Two doses of meningococcal vaccine for students 7th & 12th grade.

The number of doses depends on the schedule recommended by the Advisory Committee for Immunization Practice, ACIP. Check with your physician or health department for further information.

Written proof of immunizations for the above diseases must be submitted to the school. Please bring a physician's or health department's signed record of immunizations received by your child at the time of registration. **Parents are required to have the immunizations provided for their children prior to school attendance. Students will be excluded from school in September if the requirements are not met.**

### Tobacco Free School

School Policy prohibits the use of tobacco products on school grounds, by anyone, at all times.

### Homeless Student and Unaccompanied Youth

Homeless students and their families have rights specifically granted to them under State and Federal law in order to assist in their education. For specific information, contact the Homeless Liaison at the District Office – 758-4100.

### Pesticide Neighbor Notification Law

The NYS Education Law, section 4090-H effective July 1, 2001, required that all public and nonpublic elementary and secondary schools provide written notification to all persons in parental relation, faculty, and staff regarding the potential use of pesticides periodically throughout the school year.

The Cortland Enlarged City School District is required to maintain a list of persons in parental relation, faculty and staff who wish to receive 48-hour prior written notification of certain pesticide applications.

If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur in your school, please contact the school district at 758-4100. **You must apply to be on the list to receive notification!**

### Water Testing

A copy of the results of any (lead in water) testing shall be available in the administrative offices of the local education agency for inspection by the public, including teachers, other school personnel, and parents.

### Asbestos Management Plan Available for Viewing

As provided under the Asbestos Hazard Emergency Response Act (40 CFR 763), the Cortland Enlarged City School District hereby makes known the steps it has undertaken to comply with AHERA and the availability of asbestos management plans:

1. Every three years a licensed professional engineering firm is hired to inspect all district owned facilities and to construct a management plan for each building. The management plans for each building are updated accordingly.
2. Periodic surveillance is conducted every six months by the Director of Facilities, Bob Martin.
3. All custodial and maintenance staff have undergone a two-hour awareness training program.
4. All response actions taken are within federal and state guidelines.

Management plans may be viewed in the Business Office during the hours of 8:00 a.m. to 3:00 p.m. For more information, please contact Bob Martin, L.E.A. Designee, at 758-4100.

Sex offenders under the jurisdiction of the Cortland City Police who reside in the City of Cortland, NY, can be found by going to their link at: [www.cortland.org/city/police/sexoffenders.htm](http://www.cortland.org/city/police/sexoffenders.htm)

**For updated information check  
Cable Channel 17  
or the District Calendar at  
[www.cortlandschools.org](http://www.cortlandschools.org).**

## District Mission Statement

*The Cortland Enlarged City School District values all community members as partners in creating a positive learning environment for all students. This environment prepares all students to reach their fullest potential in becoming life-long learners, and successful, contributing members of the society in which they live.*
