

Cortland Enlarged City School District Mission, Vision, Commitments & Goals (2024-2025)

Our Mission:

- Our fundamental purpose is to ensure high levels of learning for every student.

Our Vision:

- We help every student be ready for career, college, and citizenship having reached competency in our essential social-emotional and academic learning standards.

Goals:

- Annual Goal 1: Improve proficiencies PK-12 to increase graduation rate - Three Board of Education members shared ideas related to student learning and achievement. All of these ideas (track student status and progress, align our systems to improve our Graduation Rates, making sure we have the resources our students and teachers will need, and review effectiveness of canned programs) are related to assessing the success of our instructional practices while tracking student achievement.
- Annual Goal 2: Improve culture and climate - Build a system to track and respond to labor grievances. Ensure that our personnel office maintains records related to hiring and certification of certificated staff. Systematically track grievances and personnel/certification requirements.
- Annual Goal 3: Improve operations and procedures - Ensure adherence to procedures, protocols, regulation, law and policies.
